

Thermal Hoods

Tuesday, 21 June 2011

Last Updated Tuesday, 21 June 2011

For high-volume food transport and holding, these insulated hoods work as well as heated cabinets! Stock size hoods fit standard full-size and half-size bun racks, and come with a Thermal Pad to enclose bottom shelf.

"Custom-size hoods are our specialty. Call for a quote today!"

Non Insulated cover.

Keep your food clean and away from drafts, and out of sight. Heavy-duty Nylon Codura© will not crack, peel or rip.
Fits standard full-size bun racks. Machine washable.
